**Stephanie
Lloyd**

Senior Associate
Litigation & Dispute Resolution

I take pride in building strong client relationships and working collaboratively to navigate disputes with a practical, commercial focus.

Stephanie's exposure to complex commercial litigation from the early stages of her career has led to her developing a practical, commercial approach to disputes.

Introduction

With 4 years' experience, Stephanie has advised and acted on a diverse range of matters including commercial and insolvency disputes, professional negligence disputes, shareholder and director disputes, and claims for misuse of confidential information. She is motivated to develop a tailored approach to each matter, working closely with her clients to achieve their desired outcomes.

Expertise

- Complex commercial litigation
- Partnership and Shareholder Disputes
- Injunctive and declaratory relief
- Corporations and trusts
- Corporate and personal insolvency
- Property disputes
- Competition and consumer disputes
- Professional Negligence
- Debt Recovery and Contract Disputes
- Restraints and Misuse of Confidential Information

Experience

Recent transactions of note include:

- acting for six plaintiffs in progressing a large scale professional negligence claim arising from the delivery of tax advice (circa \$10m claim);
- pursuing proceedings for breach of fiduciary duties and misuse of confidential information against a former employee, including obtaining urgent interim injunctive relief;
- acting for an overseas, publicly listed company in a dispute arising from a share sale transaction, in which a post-completion balance sheet adjustment was in issue;
- advising and acting for dental practices in contractual disputes with locum practitioners;
- acting for a director and shareholder in prosecuting claims for breach of fiduciary duties against the company's former Chief Executive Officer and shareholder;
- acting for the landowner of commercial property pursuing breaches of tenancy agreements and seeking damages on account of rental arrears and make-good works;
- acting for a liquidator in commencing and resolving (by negotiated resolution) proceedings against the former director for unreasonable director-related transactions;
- acting for a developer in progressing six appeals in the Planning and Environment Court against a refusal of development applications for a large-scale residential development proposal; and
- acting for a client in the business of sourcing and trading mining equipment, in defending claims for misleading or deceptive conduct arising from a third-party contract for the sale of equipment which did not complete.

Qualifications

- Bachelor of Laws

Memberships

- Queensland Law Society
